PROFESSIONAL SUMMARY

Versatile creative professional with 10+ years of experience at the intersection of content creation, events coordination, community building, and advocacy. A storyteller at heart — whether producing a podcast from the ground up, coordinating a 175-person conference, facilitating a peer-led mental health support call, or creating a Reel that reaches 2 million people. Brings deep roots in DEI, mental health destigmatization, LGBTQ+ inclusion, and mission-driven organizations, paired with strong operational instincts and a genuine passion for the people behind every project. Based in Orlando, FL and open to remote and hybrid opportunities.

PROFESSIONAL EXPERIENCE

Watershed Progressive | Ojai, CA (remote)

June 2025 – Present

Workshop Events Coordinator

- Lead coordinator for the annual Localizing California Waters conference, managing end-to-end logistics for 175 attendees including tribal leaders, policymakers, and water resource managers.
- Manage communications and content strategy for the LCW Network, an online hub for 100+ practitioners.
- Served as featured voice talent for the CALWEP technical maintenance video series, delivering accessible narration for non-technical learners.

NAPIESV | Des Moines, IA (remote)

December 2022 – June 2025

Program Associate

- National Organization of Asians and Pacific Islanders Ending Sexual Violence.
- Coordinated national conferences, virtual workshops, and exhibitions; managed logistics, vendor relations, budgets, grant tracking, and stakeholder communications.
- Directed multi-channel digital content campaigns including social media, email, and promotional design using Canva.
- Maintained databases, tracked grant deliverables, and standardized data collection processes across concurrent programs.

Idea Pig Productions LLC | Orlando, FL

June 2020 – Present

Founder & Producer

- Founded and operate an independent production company specializing in podcast production, digital content, and social media strategy.

- Built and host multiple original podcast series end-to-end using Riverside — Rooted in Healing and In Re:trospeqt.
- Secured and managed an \$80,000 project budget through a competitive RFP process.
- Created an Instagram Reel that reached 2 million organic views, earning features in People Magazine and The Today Show.

Peer Support Space | Orlando, FL (remote)

December 2020 – December 2022

Digital Communal Gatherings Facilitator

- Facilitated a weekly peer-led Community Support Call — a free, online mental health service — creating an equal opportunity space for individuals to share experiences, receive support, and access resources.
- Hosted the Peer Support Space 2021 Pride Virtual Open Mic Night, a queer-centric space centering LGBTQ+ community, healing, and performance.

University of Central Florida | Orlando, FL

August 2021 – May 2022

Project Manager

- Launched and managed a university-wide peer mentorship initiative, overseeing programming, logistics, vendor relations, and stakeholder communications.
- Produced digital assets and communications using Canva and WordPress.

Maven Leadership Collective | Orlando, FL (remote)

June 2020 – June 2021

Capacity Building Specialist

- Designed and facilitated professional development workshops on leadership, identity, and community building.
- Managed scheduling, participant tracking, and project coordination using Monday.com, G-Suite, and Zoom.

Presence (now Modern Campus) | St. Petersburg, FL

May 2019 – July 2020

Digital Education Creator

- Built Presence's weekly podcast series ("Will There Be Food?") and webinar series ("Happy Hour") from the ground up — concepting, scripting, booking guests, recording, editing, and publishing every episode.
- Created educational content including ebooks, blogs, and downloadable resources for a nationwide higher education audience.
- Built and sent email marketing campaigns via HubSpot; served on the Diversity and Inclusion Committee.

Presence (now Modern Campus) | St. Petersburg, FL

May 2018 – May 2019

Campus Outreach Coordinator

- Managed social media outreach and digital communications to universities across the US and Canada.
- Used HubSpot CRM to build, track, and maintain business relationships and targeted marketing campaigns.

Augusta University | Augusta, GA

July 2016 – May 2018

Residence Life Coordinator

- Managed a \$10,000 programming budget and coordinated large-scale events for a 400+ resident community in the American South.
- Designed intersectional, queer-inclusive staff training programs; served as a trusted mentor and advocate for LGBTQ+ students.

Virginia Commonwealth University | Richmond, VA

June 2015 – May 2016

Hall Director

- Managed a \$16,000 operational budget and directed programming and operations for a 700-student residence community.
- Supervised and mentored a team of student leaders.

EDUCATION

University of Central Florida | Orlando, FL
Master of Education, Higher Education Administration / Student Personnel

May 2015

University of Arkansas | Fayetteville, AR
Bachelor of Arts, Sociology

May 2013
